**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't cave to big business on access to fiber networks. I love my sonic.net provider, and this would kill their biz and is anti-competition. Also, we would be vulnerable to monopolistic price hikes, bad for our economy and consumers. Is this the way Trump runs the country, favoring big biz donors over small business innovators?

Thank you.
